**United Methodist Women** will meet on Tuesday, April 8<sup>th</sup> at 7:00 PM.

**Troop packages:** This week we sent out 5 boxes of goodies to our troops abroad. Each box contained cards made by our Sunday school class and our address if they would like to write back. Special thanks to Jim for getting the packages sent out through the Niagara Falls Air Base. There will be a box in the back of the Church to continue collecting for the troops. When we get enough we will send them out.

**Adult Group:** We need to pick a date for our next adult night. We took off March with all the Easter activities going on. Let's try to pick a date in April where everyone can make it. Also had some people suggest getting everyone together for bowling, a lacrosse game etc. If interested, let's try to pick a date for these also. Once the warm weather come it is hard to get everyone together for these indoor activities.

**Lift/Coat Room:** Please take a minute to look at the new Lift/coat room; it is just about completed with the help of many. I would like to take a moment to especially remember Betty Lederhouse who through her generous gift to Fillmore Chapel helped make the Liftavator project a reality. She was a very special lady to all of us here at Fillmore.

There will be **Special Collection** next Sunday for the **Native American Ministries**. These gifts enrich our United Methodist Church. They fund urban ministries with Native Americans, provide scholarships for Native Americans attending United Methodist and other approved seminaries, and develop and nurture conference-based Native American ministries.
